● *Dedication*

Priest, Scholar, Gentleman

*The members of the class of 1940 are honored
to express what is in the heart of each:
Their gratitude for the abiding influence of
a dynamic personality, for the intimate
friendship of a truly great teacher, and
for the living inspiration of a true
Christian Gentleman and Priest
FATHER RAPHAEL ARTHUR, O.S.B.
Honoring him, we honor the Abbey and ourselves.*

● THEME

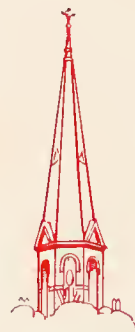

To catch the spirit of the Abbey Campus and portray it on these pages so that we may have, in the years to come, a cherished memory of activities that had to be experienced in order to be remembered—that is the theme of the 1940 SPIRE.

A collage of 15 black and white photographs from the 1930s, depicting various scenes of daily life, social gatherings, and public events. The images are arranged in a grid-like fashion, with some overlapping. The top row includes a classroom scene, a person in a car, and a group of people walking. The middle section features a person lying down, a group of people walking, and two men in white shirts. The bottom half shows a person in a striped shirt, a couple embracing, a person standing in a field, and a group of people in a field. The photographs are in various orientations and sizes, creating a dynamic and nostalgic visual narrative.

THE 1940 SPIRE STAFF

The members of the 1940 SPIRE Staff, who have concentrated their attention and efforts so that the students could have a memento of the school year.

Editor of the Annual this year was Benjamin Jones, who was ably assisted by William Copeland as Associate Editor and Melvin Johnson as Business Manager. Other members of the staff who did much to make this book a success were Hobart Joost, Neil Hurst, Quint Furr, Paul Weatherley, and William Fulton on the Editorial Staff, and William Rawlins and John Cuningham on the Business Staff.

CONTACT STAFF

Contact, the Campus-Alumni news medium, is published monthly by the student body and is a source of expression for those interested in the field of Journalism. During the year, *Contact* has received the Second Class Honor Rating in the All-American survey conducted by the Associated Collegiate Press, the All-Catholic award from the Catholic School Press Association, and was designated as a "Distinguished" Newspaper by Emory University in a contest conducted by the *Atlanta Journal*.

During 1939-40 Gilbert J. Farley headed the staff as Editor, assisted by Benjamin M. Jones as Sports Editor, Quint E. Furr, Business Manager, and by able co-workers who will continue next year.

Organizations

GLEE CLUB

Under the skillful direction of Mr. J. B. Houren, "Mr. Jack," the Abbey Glee Club has had a most successful season. This year, boasting an organization that compared favorably with any in the State, the Club gave concerts in several of the larger cities throughout North and South Carolina and impressed large audiences at each concert. The Glee Club combined with the Sacred Heart College for Women's club, also under the direction of Mr. Houren, made a unique group.

PIEDMONT CLUB

The students' social club at the Abbey. For 15 years this organization has been the center of social activities on the campus. This year the club has sponsored its usual quota of dances, the climax of which was the C.B.S. broadcast from the dance floor in Haid Gymnasium at the Spring Formal. The Piedmont Club, which boasted of the largest number of members in years, also sponsored a lecture on the Progress of Science in Physics.

Page Forty-five

VARSITY MONOGRAM CLUB

The Varsity Monogram Club is composed of those students who have earned their monograms in football, basketball, track and boxing. The club has been active in all the functions of the school, and has been the sponsor of several social affairs which were a credit to the organization. Many new members were added to the club this year, which made it the largest Monogram Club in school history.

RAMBLERS CLUB

One of the most progressive organizations at the Abbey, the Ramblers Club, composed of preparatory school students, has successfully sponsored all prep activities under the direction of Father Daniel Baran, O.S.B. In addition to social activities, including dances and parties, this club is responsible for producing one of the best-equipped and well-trained athletic groups playing under the Ramblers' name. This year Jack Cunningham was President of the organization and Eccles Gray, Secretary-Treasurer.

PREP SCHOOL MONOGRAM CLUB

The Prep School Monogram Club for the year 1939-40, composed of Lettermen in Football and Basketball.

The Day Students Club, with Mr. Melvin Johnson as President and Father Walter Coggins, O.S.B., moderator, is composed of off-campus students.

DAY STUDENTS CLUB

ALTAR BOYS

The St. Johns Berchmans Altar Boys Society under the direction of the Very Rev. Nicholas Bliley, O.S.B., assisted by the Rev. Father Anselm Biggs, O.S.B., has completed its twenty-sixth year of service in the Cathedral, assisting in the liturgical functions.

The Beta Theta Prep Dramatic Fraternity under the direction of David J. Gorney terminates another successful season of entertaining the student body with drama, tragedy, comedy, and "mellerdramma."

GLEE CLUB

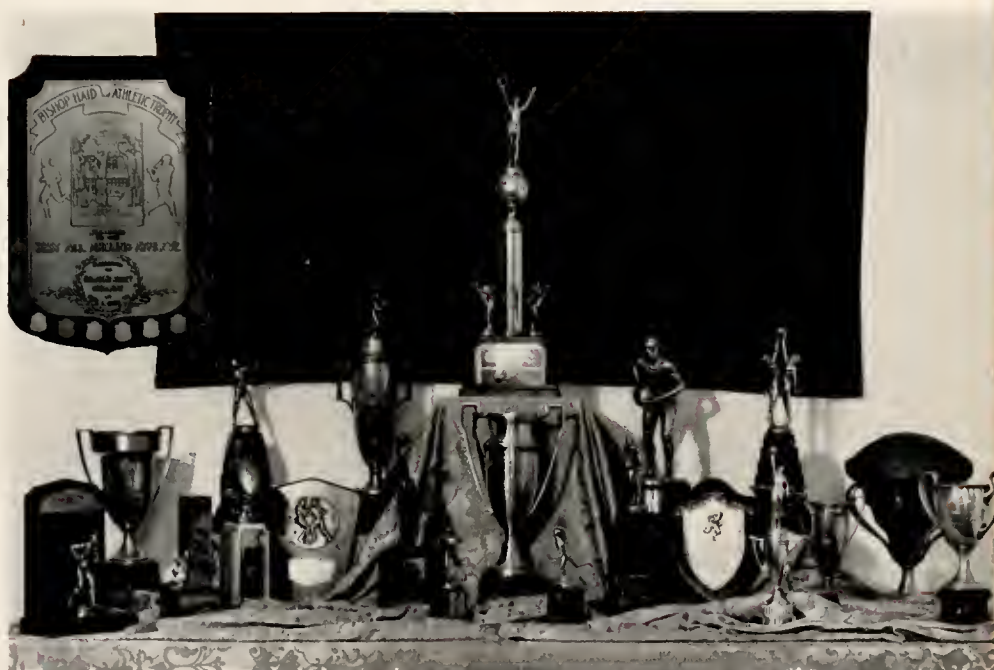

Under the direction of Mr. John B. Houren, the Combined Glee Clubs of Belmont Abbey and Sacred Heart Colleges this year presented concerts in the larger cities of North and South Carolina, in addition to appearing before various local civic organizations and have received highest praise from musical critics.

Composed of members of the Belmont Abbey College Glee Club, the Choir has sung several Masses in the Abbey Cathedral and Charleston, S. C. This group is also directed by Mr. John B. Houren and is combined with members of the Sacred Heart Women's Choir.

COACHES

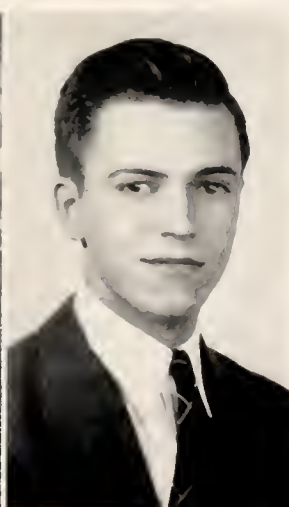

The trophies in the Administration office are evidence, in themselves, of the ability of Head Coach Wheeler and Assistant Coach Schwerdt.

Under the guidance of these two mentors, the Abbeymen, commonly known as the Crusaders, have not failed, for the past five years, "to bring home the bacon."

In Georgia, the Carolinas, Maryland, Virginia, and other Southern states, the power of the Crusaders has become a legend. This is due primarily to the splendid directing of the two coaches, whose efforts were so conscientious and whose knowledge of boys so thorough that, tho winning was secondary, they did win the majority of the time.

A tribute to the two gentlemen who have directed the physical activities of the Abbey during the past year—and for them, a tribute to the boys whose records symbolize the work of their coaches.

THE 1940 ABBEY CAGERS

Another team worthy of the name Crusader. Though hit hard by Academic Regulations, the 1940 Basketball Squad deserves more credit than any other Crimson and White team, as they were forced to play the hardest schedule in Abbey basketball history with depleted ranks.

RAMBLERS BASKETBALL

The climax of four years' building, the most successful team in their history, such were the Ramblers in 1939-40.

Father Daniel Baran, O.S.B., coach, developed a team that was able to win the consolation prize in the Gaston County Tourney and also triumphed over Bishop England High of Charleston—perennial power in the National Catholic Tourney in Chicago—in what was the climax game of their season.

RAMBLER CUBS

The Junior Ramblers Basketball Team, court midgets of the school, completed their second year of competition by winning the Midget School Championship from Victory School in the preliminary game of the finals of the Junior College Conference Tourney.

Much of their success was due to the able direction of Coach James Walker.

BOXING

Rapidly coming to the front under Coach Tom Hanna, Father Martin Hayes, O.S.B., as faculty adviser, and Captain George Weldon, boxing had its most successful season in the history of the sport at the Abbey.

STATE CHAMPIONS AGAIN!

TRACK

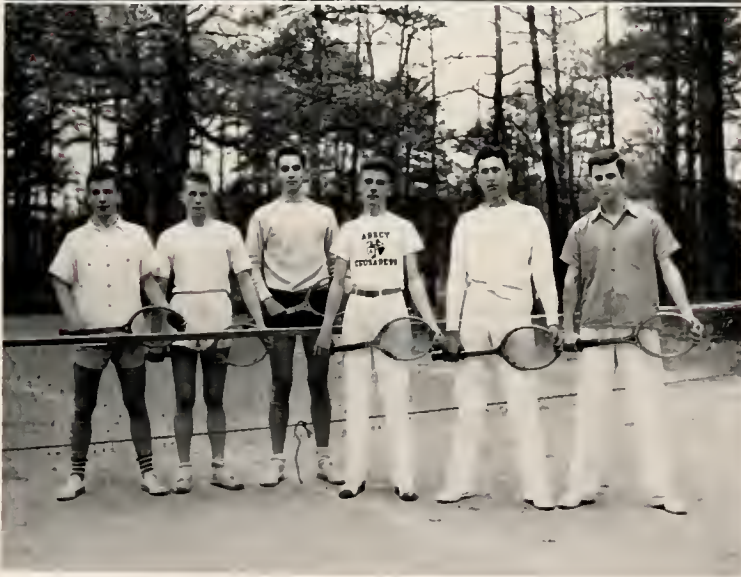

Again Track Champions of the North Carolina Junior College Conference! For the third consecutive year the Crusaders winged men have swept the field by such large margins that they have earned the name "King of the Junior College Track."

In the annual conference meet at Davidson the team garnered everything but a permanent trophy, and did themselves honor in the Junior A.A.U. meet at Chapel Hill. The inspiring leadership of Captain Fred Volleman, and the great success of the team, deserve to be mentioned together.

THERE are many *Beautiful* materials and there are many *Permanent* materials . . . but, there is no memorial material that *Combines* beauty and permanence to as great extent as Georgia Marble. GEORGIA MARBLE'S use by leading sculptors and architects for outstanding memorials and buildings that are erected to last for centuries, is proof of the place held by Georgia Marble in the esteem of experts who have the materials of the world from which to select.
